DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2, 4-11, 14-21, 23-30, 33-39, 52 and 75-76 allowed.

The following is an examiner's statement of reasons for allowance: Independent claims 1, 20 and 52, when considered as a whole, are allowable over the prior art of record. Specifically, prior art of record fail to clearly teach or fairly suggest the limitations "displaying a hierarchical list along a first direction a first list of items wherein the first list of items having one or more sub-items but not displayed; upon selection on one of the items, replacing the first list by displaying at the first display area and along the first direction a second list of items comprising one or more of the sub-items from the first list; displaying the selected item at a second display area along a second direction different from the first direction". The dependent claims further add limitations to the allowable subject matter of the corresponding independent claims; thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
